

For Filipino Travellers Intending to Transit through Singapore

The Philippine Embassy in Singapore reiterates its reminder to all Filipino travellers of the following Singapore Government policy for transit through Changi Airport:

- Transfers in Singapore are only allowed on flights operated by Singapore Airlines, Silk Air and Scoot, or other airlines whose transfer route has been **approved by the Civil Aviation Authority of Singapore**. Passengers should, therefore, consult their airline before purchasing their air tickets.
- Transit through Singapore is allowed only for passengers who are departing from **cities approved for transit flights through Singapore** to any destination in the Singapore Airlines Group network (*Please see table below*).
- Passengers may book a return flight through Singapore only if both the point of origin and the final destination are in the list of cities approved for transit through Singapore.
- For more information on Singapore transit policy, please visit the following:

*Due to further restrictions imposed by the Australian Government, Singapore Airlines will not operate passenger services from Singapore to Melbourne from 1 July to 6 December 2020. Flights from Melbourne to Singapore from 1 July to 6 December 2020 are operating as listed.

**Due to regulatory requirements, transfers to destinations in Mainland China are currently not allowed.

***Cities approved for transit flights must be your first point of departure. The exceptions are if your first point of departure is for a domestic flight, or if you are departing from a country in the Schengen area to connect to a SIA flight that is departing from another Schengen country.

****Do note you will not be able to transit through Singapore if you had to transfer through another country from your city of departure before transiting at Changi Airport. For example, Dublin – London – Singapore – Sydney is not allowed.
