E-APOSTILLE SERVICE FOR PSA DOCUMENTS

The e-Apostille system, launched by the Department of Foreign Affairs (DFA) on 19 March 2024, allows applicants to request for the Apostillization of their documents online, eliminating the need for applicants to personally visit the DFA or PSA offices.

Applicants will receive their e-Apostilles and e-Certificates directly through their registered email addresses. With this system, applicants will no longer receive physical copies of their certificates.
