WHY VOLUNTEER?

Volunteering is just one way to give back; it is one way to demonstrate the strength and unity of the Filipino community. Your participation will help ensure a smooth, and successful examination process, which directly contributes to the professional growth of our *kababayans*.

WHAT IS IN IT FOR ME?

As a token of appreciation of your dedication and hard work, an honorarium will be provided as well as meals and transportation. Beyond these benefits, volunteers will gain valuable experience and the satisfaction of knowing that you are making a difference in the lives of their fellow Filipinos.
