

IATF Resolution No. 144-A Validation of Vaccination Status of Returning OFWs and Non-OFWs

On October 14, 2021, the IATF released IATF-EID Resolution No. 144- A.

For OFWs and Non-OFWs Vaccinated Abroad. For purposes of validating vaccination status, OFWs and their spouse, parents, and/or children travelling with them, who were vaccinated abroad, and Non-OFWs vaccinated abroad, may present any of the following:

1. Their National/State Digital Certificate of the foreign government where they were vaccinated, without the need of a reciprocity agreement;
2. Vaccination Certificates issued by any of the states of the United States of America, whether digital or physical;
3. Vaccination Certificates issued by the Center for Disease Control and Prevention, whether digital or physical;
4. Vaccination Certificates issued by any of the provinces and territories of Canada, whether digital or physical.
5. For Singapore, validation of Vaccination Certificates by POLO is no longer required, except for those who are **not** able to present a National Digital Certificate (with QR code) issued by notarise.gov.sg.

OFWs who are **not** able to present a National Digital Certificate (with QR code) issued by notarise.gov.sg must submit clear copies of the following documents via email to polosgvaccinationverif@yahoo.com:

1. Information Page of their Philippine Passport;
2. Identification Card/Work Permit/ S-Pass/E-Pass/Special Visit Pass/Dependent Pass; and
3. Vaccination Record/Vaccine Card.

POLO-Singapore shall validate the Vaccine Record/Vaccine Card and electronically transmit the validated copy to the OFW for presentation to the Bureau of Quarantine (BOQ) Desk at the airport.

Please be guided accordingly.
