

ADVISORY FOR TRAVELLERS TRANSITING THROUGH SINGAPORE

The Philippine Embassy in Singapore advises all Filipino travellers that the Singapore Government policy for transit through its Changi Airport, as of 9 April 2021, is as follows:

- a) Travellers will be allowed to transit through Singapore Changi Airport based on their departure city. Please visit <https://www.singaporeair.com/saar5/pdf/media-centre/210323TableforCitiesApprovedforTransit.pdf> for a list of cities approved for transit flights through Singapore.
- b) Travellers connecting to a city approved for transit flights before transiting through Singapore to their final destination. In such instances, the first point of departure should be from the countries listed in this link: https://www.singaporeair.com/saar5/pdf/media-centre/ListofBehindCountries_29Mar.pdf
- c) Transfers are only allowed between Singapore Airlines, Silk Air and Scoot. Transfers to and from flights operated by other airlines are currently not allowed, except those with which Singapore Airlines has interline agreements such as Air France, KLM Royal Dutch Airlines, Garuda Indonesia, Lufthansa and Swiss International Airlines.
- d) Singapore has unilaterally lifted border restrictions with Australia, Brunei, China, New Zealand, and Taiwan. Passengers transiting through one of these unilaterally opened (UO) countries/regions to connect to a flight to Singapore to reach their final destination, must ensure that they do not originate from or transited through a non-UO country/region prior to entering these UO countries/regions. For example, Fiji – Auckland – Singapore – London is not allowed.
- e) Passengers with a travel history to the United Kingdom or South Africa in the past 14 days will not be allowed to transit through Singapore Changi Airport due to regulatory requirements.

Since Singapore regularly updates its transit policy, travellers are encouraged to visit the following links: https://www.singaporeair.com/en_UK/sq/media-centre/news-alert/?id=kataac8r.

Thank you.

AD2021-072

Annex 1
