EMBASSY OF THE REPUBLIC OF THE PHILIPPINES SINGAPORE

AD-045-2022

GENERAL TRAVEL/ENTRY REQUIREMENTS FOR FILIPINOS ARRIVING IN SINGAPORE FROM THE PHILIPPINES

(As of 1 April 2022)

All travellers including Singapore Citizens and Permanent Residents **arriving from all countries/regions can enter Singapore without quarantine, testing or entry approvals under the Vaccinated Travel Framework.** For full details, please visit the Immigration & Checkpoints Authority (ICA) website at www.ica.gov.sg.

ENTRY REQUIREMENTS

- For **FULLY vaccinated travellers** with WHO EUL COVID-19 vaccines¹; **OR**
 - Born in or **after 2010** (i.e. aged 12 and below by year of birth), regardless of vaccination status.
1. **Accomplish the SG Arrival Card up to 3 days before arrival.**
 2. Wait for the **electronic Visit Pass (e-Pass)** which contains details of the visit pass granted, including the maximum number of day(s) of stay and the last day of stay allowed in Singapore. The e-Pass will be sent to the email address indicated in the SG Arrival Card submission. Visitors are reminded to provide a valid email address.
 3. **Present proof of acceptable COVID-19 vaccination certificate for pre-boarding and immigration checks.**
 - If vaccinated in Singapore: Vaccination Status on the TraceTogether App or HealthHub App or vaccination certificate/s issued by Singapore Ministry of Health (MOH); **OR**
 - If vaccinated in the Philippines: COVID-19 Vaccination Certificate (VaxCertPH) issued by the Philippine Department of Health.
 4. **Obtain additional entry documents (if required).** Check the website of the **ICA** for more information.

COVID-19 PRE-DEPARTURE TESTS AND QUARANTINE REQUIREMENTS

- There are **no quarantine or COVID-19 testing measures for fully vaccinated travellers and travellers aged 12 and below.** However, you must comply with the latest public health measures.
 - **Download** the TraceTogether mobile application for contact tracing and to show proof of vaccination in Vaccination-Differentiated settings (VDS).
 - For the latest public health measures and VDS, visit the Ministry of Health (MOH) website.
 - If you test positive for COVID-19 during your stay, follow these recovery protocols.

IMPORTANT!

All information regarding travel to Singapore may be found at the website of the Immigration and Checkpoints Authority (ICA). **Please visit the ICA website for updates prior to scheduling your travel.**

¹ To be considered fully vaccinated, travellers must have taken at least one dose of Janssen/J&J, or at least 2 doses of AstraZeneca, Covaxin, Moderna/Spikevax, Covishield, Novavax, Pfizer/BioNTech/COMIRNATY, Sinovac or Sinopharm. Mixtures and boosters of these WHO EUL vaccines, and recovery from COVID-19 with vaccination, are also acceptable. For full definition of acceptable vaccinations and dose intervals for entry to Singapore, refer to [this page](#).

ENTRY REQUIREMENTS

- For **NON-FULLY vaccinated travellers** born in or before 2009 (i.e. age 13 and above by year of birth), **including the following:**
 - Certified medically ineligible/exempted from COVID-19 vaccination;
 - Took non-WHO EUL vaccines and/or did not complete the full dosage of WHO EUL COVID-19 vaccines; and
 - Recovered from COVID-19 but did not complete the minimum dosage of WHO EUL COVID-19 vaccines.

Pre-departure

1. Apply for an **entry approval**. Visit the [ICA website](#) to check eligibility and procedure;
2. Obtain additional travel-related documents:
 - Travel insurance with minimum coverage of S\$30,000 for any COVID-19 related medical charges.² Insurance can be purchased with a Singapore or overseas-based insurer (see examples [here](#))
 - Check the ICA website for other required documents, if applicable.
3. **Fill SG Arrival Card (SGAC) up to 3 days before arrival.**
4. Negative Pre-departure COVID-19 PCR test **taken within 2 days before departure** at an internationally accredited or recognised lab/clinic/medical facility; **OR** Antigen Rapid Test (ART) administered by a trained professional.
5. **Secure Stay Home Notice (SHN) Accommodation for at least 7 days**

On-arrival

6. Upon clearance, an **e-Pass (i.e. Visit Pass)** stating the period of stay granted will be issued to foreign short-term visit pass travellers via the email address indicated in the SGAC. Passports will no longer be stamped.
7. Following immigration clearance, you will receive a **7-day Stay-Home Notice (SHN)** via the email address provided in your SGAC declaration; and Commute directly to your declared SHN accommodation using private transport, taxis (including street-hailed taxis) or private-hire car (GrabSHN, Go-Jek, Ryde, MVL Tada). The use of public transport (e.g. trains, buses) is prohibited.
8. If you test positive for COVID-19, [adhere to these recovery protocols](#).
9. After the SHN, you may go about with your activities. However, you should comply with the [latest public health measures](#). This includes the use of the [TraceTogether mobile application](#) for contact tracing and to show your vaccination status at Vaccination-Differentiated settings (VDS).

IMPORTANT!

All information regarding travel to Singapore may be found at the website of the [Immigration and Checkpoints Authority \(ICA\)](#). **Please visit the ICA website for updates prior to scheduling your travel**

² Insurance is strongly encouraged but not mandatory for those who received entry approval via the SafeTravel Office Application Portal. Short-term visitors are responsible for all costs associated with COVID-19 treatment and recovery throughout their stay in Singapore.
